

Monday Seminar: 5 March, 2012 from 14.15 to 16.00
UiA Campus Gimlemoen, Kristiansand
Room J1-064

Moving Beyond TIMSS Video: Rethinking the Role of Video in International Research on Teaching

By Jim Stigler

Video is a powerful tool for understanding and improving teaching. In this talk I will discuss new directions for using video to (1) understand and measure instructional quality, (2) improve teaching, and (3) build an international community of research on teaching.

Host: Maria Luiza Cestari
