

Agder University College
ST 202 EU Institutions and Politics
Postponed Exam Spring 2007

Date: 21 September 2007
Time: 09.00 to 14.00

Students are allowed to use dictionaries in their native language and English.

Only one (1) of the two questions shall be answered.

Either

1. How is the idea of spillover linked to the principle of functionalism in the process of European integration? How is the idea of functionalism linked to the principle of federalism? Can the European Union be defined as a federal political system?

Or

2. How do the institutions interact in the policy-making processes of the European Union under pillar one, two and three, and how do they relate to the member states in these processes?
