## ST 202: EU – INSTITUTIONS AND POLITICS

Monday 22 September 2008, 0900 – 1400

Permitted tools of help: dictionaries

I. Answer one of the following two questions:

Either:

Account for important causes of European integration, and relate this discussion to central theories of European integration.

Or:

Describe the European Commission and the European Council (Council of Ministers), and discuss to what extent these institutions have supranational and intergovernmental traits/characteristics. Discuss these terms with reference to how these institutions are organised and how the function.
