

UiA Guest Network Access

User Guide

- Browse available wireless networks and select «UiAGuest»
- After the network connection is established you have to open a web-browser. You will then be redirected to the following web-page:

The screenshot shows a web browser window displaying the University of Agder's Guest Network Access page. The browser's address bar shows the URL <https://gue...uia.no>. The page features a red header with the University of Agder logo and the text "UNIVERSITY OF AGDER". Below the header, the page is titled "Guest Network Access". The main content area contains the following text:

If you haven't already received an UiA Guest Network Account: [Click here.](#)

Employees and students: use the wireless network 'eduroam'.

Username:

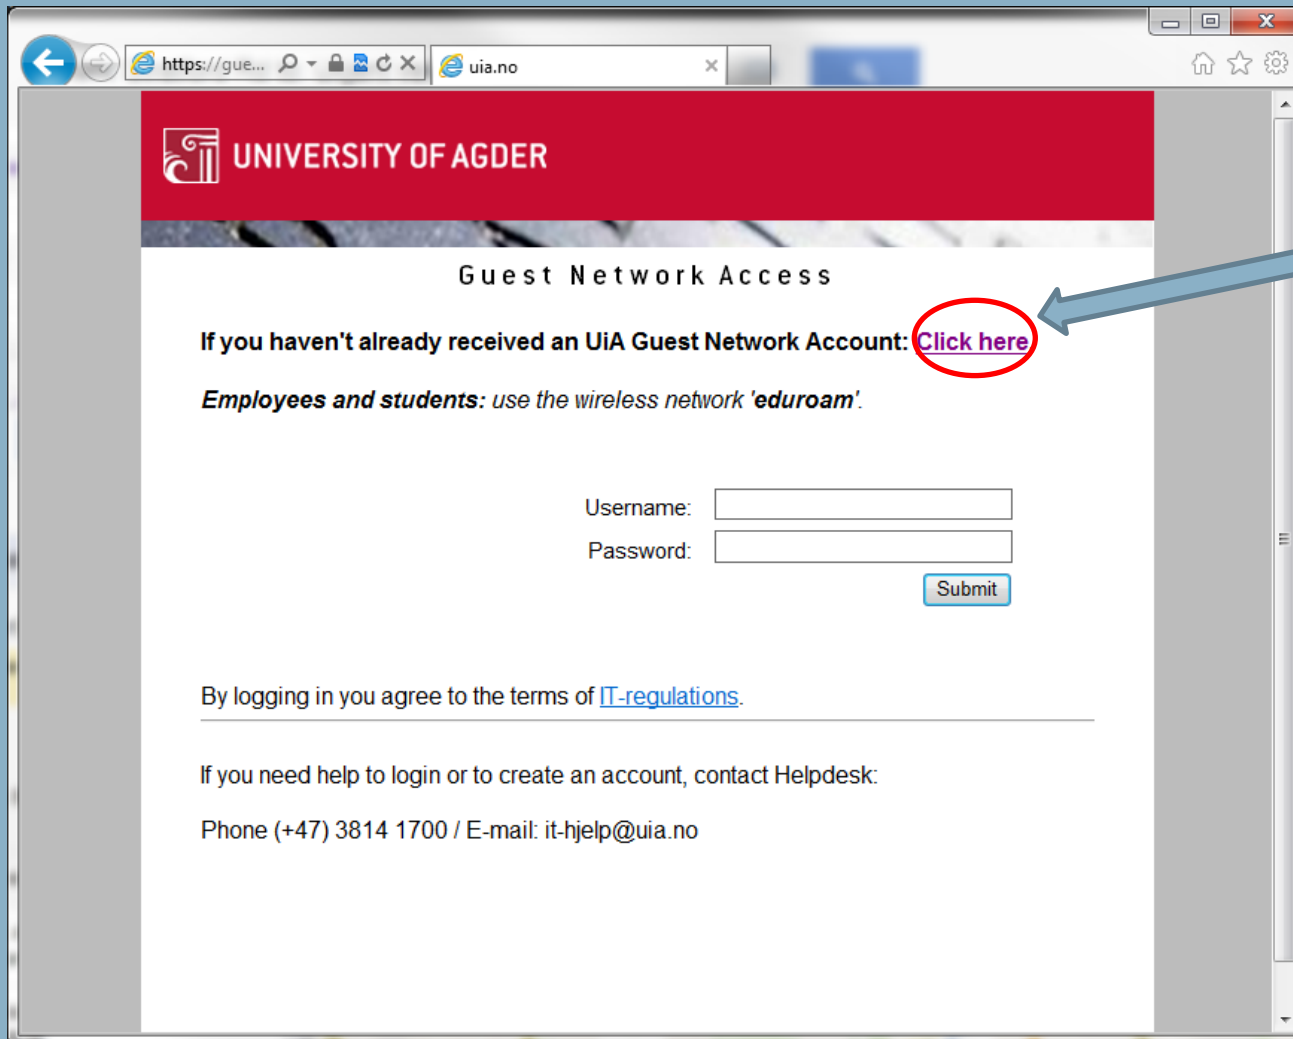

Password:

By logging in you agree to the terms of [IT-regulations.](#)

If you need help to login or to create an account, contact Helpdesk:

Phone (+47) 3814 1700 / E-mail: it-hjelp@uia.no

- If you already have received a username and password – please log in!
- If you need a username and password please select:

- You will then be redirected to the following page:

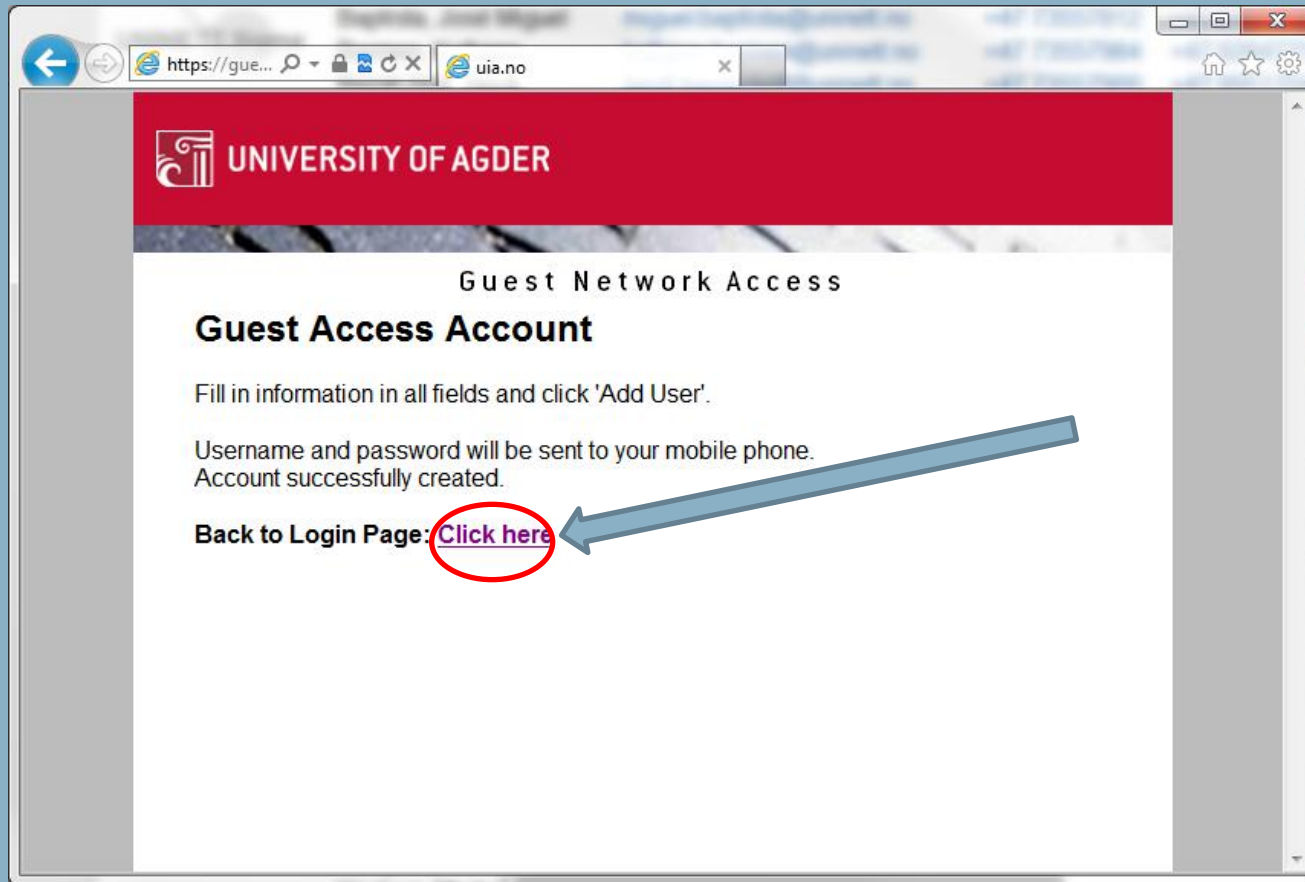

The screenshot shows a web browser window with the URL <https://gue...uia.no>. The page header features the University of Agder logo and name. The main content area is titled "Guest Network Access" and "Guest Access Account". It contains instructions: "Fill in information in all fields and click 'Add User'." and "Username and password will be sent to your mobile phone." The registration form includes the following fields:

- Mobile Phone Number: A dropdown menu set to "+47" and an adjacent text input field.
- Email Address: A text input field.
- Access Plan: A dropdown menu set to "UiA Guest".
- An "Add User" button.

At the bottom, there is a link: "Back to Login Page: [Click here](#)".

- Register your mobile phone number and email address, then press «Add User»

- The page will refresh and show that username and password will be sent to your mobile phone:

- Select «Back to Login Page» to return to the login page.

- You will receive a SMS message on your mobile phone looking like this:

GuestAccess

Guest user account
