

Did you know you  
might be engaging in

# pester SEX?

**Do you have to  
persuade to get  
sex?**

**How do you react  
to rejection?**

**Do you persist even  
if you're rejected?**

Pester sex is constantly nagging for everything from fondling and oral sex to penetration. This is actually harassment and can have lasting consequences for the person you're doing it to.

PS: it is pester sex even if you're in a committed relationship or situationship.

## How do you react to rejection?

Whining

Anger

Silent treatment

Persistence

**Don't pester for sex. Don't be a red flag**
