

Did you know you might be engaging in **pester SEX?**

**Do you have to
persuade to
get sex?**

**How do you react
to rejection?**

**Do you persist even
if you're rejected?**

Pester sex is constantly nagging for everything from fondling and oral sex to penetration. This is actually harassment and can have lasting consequences for the person you're doing it to.

PS: it is pester sex even if you're in a committed relationship or situationship.

How do you react to rejection?

Whining

Anger

Silent treatment

Persistence

Don't pester for sex. Don't be a red flag
